

Aaargh, feet are coming out of covered shoes!

You can give your clients the very best, they deserve it...

Made in Australia, Enovia foot care products are literally “walking” off the shelves in Podiatry and Reflexology clinics and they are now available to us in the beauty industry!

Moisturising Foot Therapy Cream

- Induces changes in the mechanical properties of extremely dry skin
- Provides extreme moisturising effect
- Breaks down hardened, callused skin
- Repairs cracks and fissures and prevents hard skin developing
- Available in 120ml \$7.95, and 250ml \$13.95

Anti-bacterial Foot Therapy Cream

- Protects by killing 99.9% of bacteria
- Suitable for clients with diabetes
- Moisturises and produces cooling sensation
- Ideal for heavy and tired feet
- Available in 120ml \$8.95 and 250ml \$14.95

Toe-nail Therapy Gel

- Restores healthy appearance to rough, thickened, colour-changed toe-nails
- Exfoliates the rough or thickened part of the nail and makes it easy and safe for clipping
- Suitable for clients with hyperkeratosis and fungal infections
- Available in 50ml \$6.50

Enovia products are made from natural and biodegradable ingredients, all made in Australia and were clinically tested for 2 years before release on the market.
