

use your imagination class intermediate

You learn best by doing. That's why Young Nails offers the best hands-on training in the business to help you learn new techniques, improve your skills, manage your time and make more dough. We offer lots of classes throughout the year, so keep an eye open for these fliers or ask your distributor for info.

Description: This is a crazy, fun class that covers custom color and glitter blending, inlay and engraving designs, wedding nails, stained glass effects, all the latest 3-D applications, backfilling designs with reverse application and how to use custom art accessories to create a unique, free edge look. We'll finish the session with a thorough discussion on referral techniques so you can show off your new talents.
